Independent auditor's Report

pursuant to article 14 of Legislative Decree n. 39, dated January 27 2010 and article 10 of EU Regulation n. 537/2014

To the shareholders of Banca Generali S.p.A.

Report on the consolidated financial statements

Opinion

We have audited the consolidated financial statements of Banca Generali Group (the Group), which comprise the balance sheet as at December 31, 2019, the profit and loss account, the statement of other comprehensive income, the statement of changes in net equity, cash flow statement for the year then ended, and notes to the financial statements.

In our opinion, the consolidated financial statements give a true and fair view of the financial position of the Group as at December 31, 2019 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union, as well as the regulation issued to implement article 9 of Legislative Decree NO. 38/05 as well as article 43 of Legislative Decree NO. 136/15.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISA Italia). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of Banca Generali S.p.A. (the Company) in accordance with the ethical and independence requirements applicable in Italy to the audit of financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters

VALUATION OF GOODWILL

Notes: Part A) Accounting policies; Part B) Information on the consolidated balance sheet Assets - Section 10; Part G) Business combinations of entities or branches - Section 3.

The Group recorded among intangibles in the financial statements, goodwill for Euro 86,9 million. This goodwill, as required by IAS 36 “Impairment of assets”, are not depreciated but tested for impairment (“Impairment test”), at least annually, by means of comparison of the carrying value with recoverable amounts of each CGU represented by the value in use.

The impairment test performed by the Bank confirmed the recoverability of goodwill registered in the consolidated financial statements.

We focused on this area due to the significance of its amount and the significant judgement and complexity of the evaluation process; the recoverable amount of goodwill is based on the realisation of the assumptions of the plan, discount rates and expected future growth rates and other subjective assumptions.

VALUATION OF THE PROVISIONS REGARDING THE INDEMNITY OF THE NETWORK AND LEGAL DISPUTES

Notes: Part A) Accounting policies; Part B) Information on the balance sheet Liabilities - Section 10.

Provisions for liabilities and contingencies at December 31, 2019 show a balance of Euro 169,4 million. In the section, Provisions for termination indemnity of Financial Advisors are equal to Euro 97,9 million, Provisions for network incentives are equal to Euro 31 million, Provisions for legal disputes are equal to Euro 12,9 million and Provisions for staff expenses are equal to Euro 16,6 million.

We focused on these items due to the significance of their amount, the complexity of the algorithms of actuarial statistical calculation adopted and significant judgement in the evaluation process, based on various assumptions and factors.

Audit responses

Our main audit procedures performed, also with the support of our specialists, in response to the key audit matter regarding the valuation of goodwill, included the following:

- We challenged the reasonableness of the key underlying assumptions of the plan;
- We assessed and challenged the adequacy of the impairment model adopted;
- We assessed the key underlying assumptions for the impairment model, in particular the ones related to cash flow projections, discount rates, long term growth rates.
- We verified the clerical accuracy of the impairment model adopted.
- We performed sensitivity analysis of the control model of impairment when key assumptions change;
- We verified the disclosures provided.

Our main audit procedures performed in response to the key audit matter regarding the valuation of the provisions regarding the indemnity to the network and legal disputes included the following:

- We analysed the methodology used by the Group to estimate the provisions;
- We performed test of details on the completeness and accuracy of data used to determine the provisions for risks and charges;
- We performed an actuarial review, also with the support of external specialists, of the approach and assumptions adopted for the evaluations at December 31, 2019 specifically regarding the termination indemnity of Financial Advisors;
- We obtained an external confirmation from legal experts of the Group on their evaluation about the existing disputes’ development and the chance of losing;
- We verified the disclosures provided.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with International Financial Reporting Standards as adopted by the European Union, as well as the regulation issued to implement article 9 of Legislative Decree NO. 38/05 and article 43 of Legislative Decree NO. 136/15 and, within the terms provide by the law, for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the holding Banca Generali S.p.A. or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA Italia will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISA Italia, we exercise professional judgment and maintain professional skepticism throughout the audit. We also have:

- Identified and assessed the risks of material misstatement of the financial statements, whether due to fraud or error, designed and performed audit procedures responsive to those risks, and obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Concluded on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluated the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtained sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We have communicated with those charged with governance, as properly identified in accordance with ISA Italia, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We have also provided those charged with governance with a statement that we have complied with relevant ethical and independence requirements applicable in Italy, and communicated with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We described those matters in the auditor's report.

Other information communicated pursuant to article 10 of Regulation (EU) 537/2014

We were initially engaged by the shareholders meeting of Banca Generali S.p.A. on April 23, 2015 to perform the audits of the financial statements and of the consolidated financial statements of each fiscal year starting from December 31, 2015 to December 31, 2023.

We declare that we did not provide prohibited non audit services, referred to article 5, paragraph 1, of Regulation (EU) 537/2014, and that we remained independent of the company in conducting the audit.

We confirm that the opinion on the consolidated financial statements included in this audit report is consistent with the content of the additional report prepared in accordance with article 11 of the EU Regulation n.537/2014, submitted to those charged with governance.

Report on other legal and regulatory requirements

Opinion pursuant to article 14, paragraph 2, letter e), of Legislative Decree n. 39/10 and of article 123-bis of Legislative Decree n. 58/98

The directors of Banca Generali S.p.A. are responsible for the preparation of the report on operations and of the corporate governance report of Banca Generali S.p.A. as at December 31, 2019, including their consistency with the consolidated financial statements and their compliance with the applicable laws and regulations.

We have performed the procedures required under audit standard (SA Italia) n. 720B in order to express an opinion on the consistency of the report on operations and of specific information of the corporate governance report as provided by article 123-bis, paragraph. 4, of Legislative Decree n. 58/98, with the consolidated financial statements of Banca Generali S.p.A. as at December 31, 2019 and on their compliance with the applicable laws and regulations, and in order to assess whether they contain material misstatements.

In our opinion, the report on operations and the above mentioned specific information of the corporate governance report are consistent with the consolidated financial statements of Banca Generali Group as at December 31, 2019 and are compliant with applicable laws and regulations.

With reference to the assessment pursuant to article 14, paragraph. 2, letter e), of Legislative Decree n. 39/10 based on our knowledge and understanding of the entity and its environment obtained through our audit, we have nothing to report.

Statement in accordance with article 4 of Consob Regulation in application of Legislative Decree n. 254, of December 30, 2016

The Directors of Banca Generali S.p.A. are responsible for the preparation of the consolidated non financial statements in accordance with Legislative Decree n.254, of December 30, 2016.

We verified the approval of the consolidated non financial statements by the Board of Directors.

According to article 3, paragraph 10, of Legislative Decree n.254, of December 30, 2016 we performed a separate audit analysis on this statement.
