**NOTES**

1) Figures referring to each country comply with those reported in the Consolidated Financial Statements at 31 December 2020 and therefore no further auditing has been required by the Independent Auditors with regard to this document. Information is drawn from the reporting packages, prepared in accordance with IASs/IFRSs and submitted by each legal entity for the purpose of preparing the Consolidated Financial Statements. Therefore, they may not be in line with the local results.

2) "Turnover" is understood to refer to net banking income as set out in Item 120 of the Profit and Loss Account and Consolidated Profit and Loss Account (cf. Circular No. 262). The figure is given by country, gross of intra-Group eliminations, with a cumulative indication of consolidation adjustments.

3) "No. of employees, FTE" is calculated by dividing the total hours worked collectively by all employees, not including overtime, by the annual total number of hours envisaged by contract for a full-time employee.

4) "Profit (loss) before taxation" refers to item 290 "Profit before income taxes" and, if present, item 320 "Income of disposal groups" (in the latter case, before taxes) of the Consolidated Profit and Loss Account, as per Circular No. 262/2005.

5) The item "Taxes on profit or loss" refers to the sum of the taxes set out in item 300 of the Profit and Loss Account, as per Circular No. 262, and taxes on income relating to disposal groups.

6) The Banca Generali Group did not receive any public grants from government entities in 2020. This item does not include transactions undertaken by Central Banks for the purposes of financial stability or transactions aimed at facilitating the transmission mechanism of monetary policy, such as TLTROs operations. Similarly, any transactions that fall within the state aid schemes approved by the European Commission are not taken into consideration.
